

MIDVALE PARK HOMEOWNERS ASSOCIATION

NOVEMBER 2010

PLEASE NOTE

This year the Midvale Park Homeowners Association will not hold an annual lighting contest. We know many look forward to this event, but due to economic constraints we felt it a wise choice for the community.

*Happy
Thanksgiving!*

FROM YOUR NEIGHBORS

Recently, we have received reports regarding gas siphoning. Your neighbors want you to be aware of this activity.

Several homeowners have called in to report that their vehicles had been targeted.

Please be aware of this activity and take the necessary precautions to safe guard your vehicle from this form of vandalism.

Another resident

wanted us to pass on an unfortunate incident that happened to her. One day , while stopping to pick up her mail, her purse was stolen from her vehicle.

A young man was walking by, reached into the vehicle and ran off with her purse. Just because you are only stopping for a moment, do not leave your personal items unattended.

Please be aware of

these issues and report any suspicious activity to the police. If you have any other concerns you would like your neighbors to be aware of, please contact Stratford Management and we will be happy to include these in future newsletters.
